

HELP HAWAII PREPARE VOLUNTEERS NEEDED

One of largest disaster exercises in state history

We need your help
The morning of Wednesday, August 11

Hawaii is one of nine states that will simulate the distribution of life saving medications, antidotes and medical supplies from the Strategic National Pharmaceutical Stockpile.

For information or to volunteer as a “patient”
at the mock dispensary
Call Cassy Shinabarger at the American Red Cross:
739-8109

Or e-mail **shinabargerc@hawaii.rr.com**

(No real medications or inoculations will be administered. All treatments will be simulated)
